### BISCUITS.

(Messrs. PEEK, FREAN Co., South Bermondsey.)

This well-known firm of manufacturers are ever ready to increase their long list of varied delicacies, some of which are so thoroughly familiar in every household. We are glad to find that with their established popularity and extensive business, all goods turned out by them are as carefully prepared as formerly, while every taste is catered for, from the "sweet" to the "plain," among which we class "Fairy Cakes," "Oswego," "Lake," "Coffee Rusks," and "Canada," while the "Nursery," "Digestive," "Oaten," and "Wholemeal" can be placed amongst valuable dietetic medicines.

### COFFEE.

THE MAZAWATTEE CEYLON TEA Co., (Eastcheap,) E.C.)

We would draw the attention of those of our readers who take coffee, to the Mazawattee Coffee, as this blend is one of the finest we have tasted. It well preserves the full flavour and aroma of the newly roasted and ground berry.

### THE "INDISPENSABLE" TOILET APPARATUS.

The Automatic Paper Distributing Company, 49, Victoria Street, Westminster, have recently introduced and patented a most ingenious contrivance for the ready supply of toilet-paper, which in point of convenience, appearance, and cleanliness completely supersedes all other arrangements of the same nature. It is in the form of a neat box made in mahogany, and contains sheets of paper so folded that only one can be withdrawn at a time, thus avoiding any littering and waste when filled. Thus the advantages over all other systems are considerable economy, effecting a saving of at least 50 per cent.; absolute cleanliness, the paper, being enclosed in the box, out of sight and protected from dust and damp; a useful and ornamental piece of furniture, suitable for holding a candlestick, disinfectant powder, matches, &c.
