Miss HILLABY (Aged Six Months).

DEAR SIR,—Enclosed you will find photograph of my daughter, Kathleen Dorothy, aged six months, which will speak for itself as regards the highly nutritive properties of your food. At the age of one month she was taken with a violent attack of colic which almost carried her away. Our doctor at that time advised us to try your food. From that day to this she has never had a day's sickness.—Yours truly,

ERNEST HILLABY."
