AWARDS.

TRADE MARK.

The **BRITISH MEDICAL JOURNAL** (Jan. 21, 1893) says:—

It is of great importance to be able to rely on obtaining condensed milk containing its proper amount of fat, and not made with unwholesome sugars. We are able to recommend the Anglo-Swiss Company's Milkmaid brands as being what they are represented to be, and as thoroughly reliable.

MELLIN'S FOOD

For INFANTS and INVALIDS.

"17, The Grove, Clapham Common, May 10, '93.
"DEAR MR. MELLIN,—It may interest you to know that my granddaughter, Maudie Holmes, who was five years old last October, and who rode on the smallest 'Humber' tricycle in England from London to Brighton before her last birthday, and who recently rode a mile in seven minutes at Hitchin, was brought up entirely on Mellin's Food, which has also been used with excellent effect in the cases of her younger twin brother and sister, Evelyne and Herbert. I have great pleasure in sending you a photograph of the youngest lady-cyclist in the world as a trifling acknowledgment of the debt we are under to Mellin's Food.—Yours faithfully,
(Signed) KNOX HOLMES."
