

A cordial vote of thanks was passed to Mrs. Spencer for her untiring exertions in connection with the Bazaar, and also to those members of the Association who had done so much to contribute to its success.

A generous donation of £10 2s. has been received this week from some members of the Registered Nurses' Society towards the funds of the Association, for which Her Royal Highness the President proposed a vote of thanks from the Chair, desiring that it should be conveyed to the contributors.

Members will be interested to learn that Miss Farquharson, Lady Superintendent of the Alfred Hospital, Melbourne, who has taken such a leading part in raising the standard of Nursing in Victoria, has been constituted Hon. Local Secretary for the R.B.N.A. She will be enabled to supply all candidates desirous of joining the Association in Victoria, New South Wales, and Queensland, with the necessary papers and instructions, and thus much wearisome delay will be saved to intending applicants from those Colonies.

A Meeting of the Registration Board was held on Thursday, the 20th inst., at 5 p.m.

The following is the list of the Committees for 1894 and 1895:—

EXECUTIVE COMMITTEE.
