THE HOME FOR LOST AND STARVING DOGS was instituted in 1860 to restore lost Dogs to their owners, and to find suitable homes for those without owners. During the year 1895 upwards of 25,000 Dogs and Cats were brought to the Home, whilst the total for the current year will, owing to the muzzling order, considerably exceed 40,000. Of these a large proportion were either restored to their former owners or sent to new homes. The lives of those only for which homes could not be found, the diseased and worthless, were taken in the LETHAL CHAMBER by a humane and painless process.

The MUZZLING ORDER has caused a great strain upon the financial resources of the Home, causing the Committee of Management grave anxiety.

FUNDS ARE URGENTLY NEEDED.

The following is an Extract from the DUKE OF PORTLAND'S Speech at a recent Annual Meeting:—

"I hope from what I have said that in some small way I may have pointed out what a valuable and deserving Institution we have met here to-day to support. (Cheers.) Its chief income comes from donations, which although in themselves are very acceptable, yet I venture to think that the Committee would feel more confidence in carrying on the work of the Home if a yearly income was assured to them by means of a substantial list of Annual Subscribers. (Cheers.) I would, therefore, most strongly and earnestly appeal to you, as practical humanitarians and lovers of our canine, as well as our feline friends, to put your hands in your pockets and generously assist the funds of this most deserving Institution."

SUBSCRIPTIONS and DONATIONS will be Thankfully received. HENRY J. WARD, Secretary
