I have much pleasure in stating that I consider the Sanitary Polish "RONUK" an excellent composition. I have used it in the Wards of this Hospital for some time. It cleanses the floors thoroughly, and gives them a high polish.

Workhouse and Infirmary, Brighton.

I have used the Sanitary Polish, "RONUK," for some time in our New Infirmary, Wards and Day Rooms, and consider it the best in the market. As a cleanser and preservative it does its work admirably; it is easy to use and most economical. I have no hesitation in recommending it to institutions in which Wood Block Flooring is in use, as it not only cleanses and preserves, but also improves them in appearance.
