Workhouse and Infirmary, Brighton.
 I have used the Sanitary Polish, "RONUK," for some time in our New
 Infirmary, Wards and Day Rooms, and consider it the best in the
 market. As a cleanser and preservative it does its work admirably; it
 is easy to use and most economical. I have no hesitation in recom-
 mending it to institutions in which Wood Block Flooring is in use, as it
 not only cleanses and preserves, but also improves them in appearance.

Mr. LABOUCHERE, M.P., in *Truth*, writes
 as follows:—"Messrs. Norman & Stacey
 have introduced in their business an
 ingenious safeguard against the risk of loss
 to his Widow or Family through the death
 of the Hirer. They give an Insurance upon
 his life, so that if, for instance, a man gets
 £200 worth of furniture on the hire-
 purchase system, and dies when instal-
 ments to the amount of £190 have been
 paid, not only does the furniture become
 the property of his representatives, but
 the £190 is also repaid to them." All Goods
