## FOR THE HAIR

### PRICELESS TESTIMONY!

#### A ROYAL PRINCESS WRITES:—

BERLIN, ALSENSTRASSE, Feb. 25th, 1896.—“Koko” for the Hair is the best dressing I know. It keeps the head cool, promotes growth, and is in every way excellent.—PRINCESS HOHENLOHE.

#### A GRANDDAUGHTER OF OUR QUEEN ORDERS:—

P. A. AUG. KERSTEN, HOFLIEFERANT, DETMOLD, LIPPE, GERMANY, Dec. 20th, 1895.—Sir,—I beg you to send me by return 6 Bottles of “Koko” for the Hair. You receive by P.O.O. 33s. If possible, let me have it by Wednesday morning, as it is for HER ROYAL HIGHNESS PRINCESS VICTORIA of Schaumburg-Lippe.

#### A MILITARY KNIGHT OF WINDSOR WRITES:—

WINDSOR CASTLE, May 9th, 1895.—Kindly forward me another Bottle of “Koko.” I can conscientiously state that “Koko” has quite performed all you say. I have found it most efficacious. My hair came out more than I liked. Since using it scarcely any remains in my brushes. I have strongly recommended it to my friends, and certainly I shall never use any other than “Koko.”—COLONEL G. J. IVEY.

#### A GREAT AUTHORESS WRITES:—

BROUGHAM HOUSE, MALVERN, January 16th, 1896.—Dear Sirs,—I have used your “Koko” now since June last, and I have not only stopped the falling out, which had been excessive after a severe illness, but I have an entirely new growth of hair, while the old hair is longer. As I am not a young woman, but an old one, I think this is a convincing test of the value of your preparation.—E. LYNN LINTON.

#### THE POPULAR AUTHORESS OF “BOOTLE’S BABY” WRITES:—

I think the best thing you could use to strengthen the hair is “Koko,” which I have always believed in, and recommended, especially for children. We have used it a good deal in the nursery, and my children have very nice hair, and plenty of it. “Koko” is an exquisitely clean preparation, and makes the hair very bright. I find it also very good for keeping down any form of scurf, to which a great many children are subject.

KOKO is sold by all Chemists, Hairdressers, Stores, &c., at 2/6 and 4/6 per Bottle.

#### OUR GREAT ACTRESS WRITES:—

I have used “Koko” for the Hair for years, and can assure my friends that it stops the Hair from falling out, promotes its growth, eradicates Dandruff, and is the most pleasant dressing imaginable.—ELLEN TERRY.

#### A DOCTOR WRITES:—

3, SALISBURY TERRACE, LIGONIEL, BELFAST, Nov. 22nd, 1897.—Gentlemen,—After using your “Koko” for over six months, I must acknowledge its superiority over any other dressing for the hair which I have tried. It keeps the head perfectly cool, and it does eradicate dandruff, and gives the hair a fine, glossy appearance. The medical treatment of dandruff may be summed up in six words—viz., “Keep the head saturated with oil.” No doubt this is efficient; but if we adopt this method, the head becomes dirty, for the simple reason that all moving particles are caught and retained by the oil; and again, dandruff is rendered disgusting by being stained. Now, your “Koko” possesses none of these disadvantages, and is equally, if not more, effectual. It is for this reason that I prefer it to any other dressing. Since first trying it, I have used no other, and have great pleasure in recommending it to my friends and patients. I send you this little note merely to let you know how well pleased I am with your preparation.—I am, yours, &c., G. M. SPEERS, L.R.C.P.S.E.

#### A WELL-KNOWN ANALYST WRITES:—

CHEMICAL LABORATORY, 54, HOLBORN VIADUCT, LONDON, January 18th, 1898.—I hereby certify that I have submitted to a careful examination and Chemical Analysis a sample purchased by myself from the stock of a well known firm of wholesale Druggists, of the preparation known as “Koko for the Hair.” I have found nothing in this preparation which could be injurious either to the head or hair, and the results of the analysis lead me to pronounce “Koko for the Hair” a pleasant dressing, which would undoubtedly be advantageous in many cases. I discovered in the preparation no ingredients of the nature of a colouring matter or dye.—EDWY GODWIN CLAYTON, F.I.C.S., F.C.S., Member of the Society of Public Analysts, &c.
