

SURPLUS FUNDS.

It is a matter for sincere congratulation that the audited Balance Sheet shows a surplus of more than £100, and this without calling up the Guarantee Fund, and that the Sub-Committee of Arrangements is therefore enabled to hand over this sum as a gift to the Treasury of

the International Council of Women, under whose authority the Congress was convened.

ISHBEL ABERDEEN,
President.
ETHEL GORDON FENWICK,
Hon. Treasurer,
International Congress Fund.

The International Congress Fund of the International Council of Women.
