How to Have a Nice Foot

(LADIES OR GENTLEMEN).

Nothing detracts so much from the general appearance of a lady as Uncomely Feet, and there can be no doubt that nine out of every ten Ugly Feet are due to one very small thing, that is, a Defective Boot-Heel. As soon as the Boot-Heel loses its evenness, the strain on every part of the Boot is going in the wrong direction, and the beautiful original symmetry of the Boot becomes a thing of the past. What is required is a **BOOT-HEEL THAT WILL BE ALWAYS EVEN, THIS IS ABSOLUTELY SECURED BY WEARING WOOD'S AUTOMATIC REVOLVING HEEL PAD**

Doubles the Durability of Boots, prevents Splashing, makes the Tread Silent and Soft as a Grass Lawn, Reduces Fatigue to a Minimum, Prevents Slipping. Can be fixed in half a minute. Patented everywhere. Post free, 1/- per pair; 3 pairs, 2/9; 6 pairs, 5/-. Send paper Size of Heel required to the Works.
REVOLVING HEEL CO., D 22, NELSON, LANCASHIRE
 Agents Wanted.
