A second meeting of the International Council will be held on Tuesday, September 17th, for Conference purposes.

The International Nurses' Congress opens on Wednesday, Sept. 18th at 9.30 a.m., and a large gathering of nurses will be present. The Mayor of Buffalo will give an official welcome to the Delegates. Two Sessions will be held, and later in the day the Congress will be welcomed by Mrs. Townsend, President of the Women's Union, and a reception of Delegates will be held. Altogether there is no doubt that the Congress will be an immense success.
