Wedding Bells.

The marriage of Miss Frances Presland, a Sister at the Metropolitan Hospital, Kingsland Road, with Dr. Langdon Brown will probably take place about Christmas. We regret that in a former announcement an error should have been made in the name of the bridegroom-elect. Dr. Langdon Brown holds the position of Assistant Physician and Pathologist at the Metropolitan Hospital, and during the recent war in South Africa acted as Senior Physician at the Imperial Yeomanry Branch Hospital at Pretoria.

The Pioneer Club and Registration.

Early in the New Year the Debates Committee of the Pioneer Club are to have a meeting to discuss State Registration of Trained Nurses. The Club is a large and influential one, as many of the most energetic and "brainy" women workers are members, and its debates are usually of a spirited nature.
