D. Allen Price, M.D., D.P.H., Medical Officer of Health, Tavistock. Afternoon: Visits to the hydro-electric works of the South-Western Electricity Board at Mary Tavy and to the treatment works of the North Devon Water Board at Prewley.

## The Nurses' Fellowship within the Mothers' Union—

### WHAT IT IS.

The Nurses' Fellowship is a Department of the Mothers' Union, for Nurses who are interested in the objects and work of this world-wide Society, with over 600,000 members of every race and colour. The aim of the Nurses' Fellowship is to give spiritual help to Nurses in their own lives and in their work.

The Fellowship is especially helpful for District Nurses and Midwives whose work takes them into the homes of their patients. The Fellowship links up the needs of

mothers, children and homes, and helps the Nurses to help their patients and themselves to answer many present-day questions.

### WHO CAN JOIN

Membership is open to hospital trained Nurses, whether working in hospital, privately, or on the district, Midwives, Health Visitors, School Nurses and Assistant and Student Nurses so that with their special opportunities of service they may become fellow-workers in the Mothers' Union.

The Fellowship is open to retired as well as practising Nurses, whether married or single.

### QUALIFICATIONS FOR MEMBERSHIP

Nurses :—

Who have been baptized and affirm their belief in the principle of infant baptism.

Who accept the teaching contained in the Apostles' Creed.

Who hold Marriage to be indissoluble.

Who desire to uphold the Sanctity of Marriage and Parenthood, and to maintain a high standard in home and national life by Prayer and Personal Example.

### HOW IT WORKS

The Nurses' Fellowship works in a diocese through the Nurses' Fellowship Representative. Nurse Members are usually attached to a Mothers' Union branch in order that they may be able to keep in touch with Mothers' Union work.

Owing to their different duties it is realised that Nurse Members will not always be able to attend the branch meetings regularly, and the Enrolling Member will keep the Nurse informed of branch and diocesan activities. Those who are unable to be branch members will be in touch with the Diocesan Representative direct.

### THE HEADQUARTERS.

The Mary Sumner House is open daily (Saturdays excepted) from 9.30 a.m. to 5 p.m.

All members are welcome to meet their friends in the Members' Parlour at The Mary Sumner House in Tufton Street, Westminster. The Library, Book Shop, Restaurant and Hostel are open to all members, also the Chapel in which is held an intercession service every Friday at noon.

### HOW CAN I LEARN MORE ABOUT THE FELLOWSHIP

Nurses wishing to find out more about the Nurses' Fellowship can obtain the name and address of the Representative from any Mothers' Union Enrolling Member, and Vicar of the parish, or Secretary of the Nurses' Fellowship, The Mary Sumner House, Westminster.
