Today he's in safer hands...

Every mother knows the danger of dirty feeding bottles and teats. But when she has Milton to keep them safe, she need worry no longer. So much simpler than boiling up water after every feed. And less danger of the bottle breaking. With Milton the bottle and teat are protected from dust, germs and flies — from one feed to the next. That's why nurses and midwives recommend it, and why, in most hospitals today, they rely entirely on
