Price's Violet & Millefleur Nursery & Toilet Powder.

Prepared from the Finest British Starch. Imparts a delightful coolness to the Skin, recommended by all the leading Medical men; Has stood the test of 100 years. In Packets 6d. and 1/- each, *post free* 3d. extra.

PRICE'S GOLDEN OIL

Is the only article for the Nursery and Toilet that produces and restores the Hair on bald places; prevents the Hair falling off or turning grey; changes grey hair to its original colour, frees it from scurf, and makes it beautifully soft, curly, and glossy. Ladies are requested to ask for PRICE'S GOLDEN OIL, as many Shopkeepers sell a spurious imitation, which destroys the colour as well as the growth of the Hair.

Price 3/6, 7/6, 10/6, & 21/- per bottle, *post free*, 6d. extra.

TO CHILDREN IT IS INVALUABLE, AS IT LAYS A FOUNDATION FOR A BEAUTIFUL HEAD OF HAIR.

The above can be had from all Chemists and Stores throughout the Kingdom.

THE GLASGOW EDUCATION IN NURSING.

WE are indebted to the courtesy of Mrs. STRONG, the Matron of the Royal Infirmary, Glasgow, for a copy of the educational prospectus of that institution, which appears, in another column, of this journal, to-day. For two very excellent reasons, we feel constrained to put aside other important matters which are demanding our consideration, and to call the careful attention of our readers to this document.

It may be remembered that, in September and October, 1891, a revolution occurred amongst the Nurses and Probationers of the Royal Infirmary, Glasgow. They had borne their many trials patiently, until they became at last unbearable, and then they appealed to the public. They stated, and proved, that they were often on duty for sixteen hours a day, and were liable to be—and, indeed, frequently were—also roused out of bed in the night to take extra, or special duty; that their food was meagre in quantity, indifferent in quality, badly served, and worse cooked; that the sanitary arrangements for their comfort were almost incredibly bad; that they had very laborious manual work to perform, which, in other institutions, is carried out by
