(To be continued.)

WORTH KNOWING.—That Tolphite is the only dusting powder exclusively manufactured for the Nursery. Dr. Andrew Wilson, F.R.S., says: "All the conditions which Hygiene recognises as important and essential in such a powder are represented in Tolphite; it is invaluable for infants in preventing excoriation and chafing." Mrs. Hilton says her Nurses are charmed with it. Post free, for eight or fifteen stamps.—Dodd Brothers, Stamford Hill, London.

Unsweetened Condensed Milk. First Swiss Brand.—The perfect food for Infants and Invalids. This is simply pure Alpine Cows' Milk condensed to one-third its bulk and conserved without the aid of sugar or any other preservative. Ask for the **First Swiss Brand**. Wholesale Offices, 17 and 18, St. Dunstan's Hill, London.
