

**BABIES EAGERLY
ACCEPT INGRAM'S**
*... the TEAT that's
guaranteed shape and
flow-perfect*

Any baby will take readily to one of the three specially designed Ingram shapes which cover every bottle-feeding need. Made from the finest quality sterilizable transparent rubber, INGRAM'S Teats are anti-colic. Ingram's ensure a contented, uninterrupted feed because every teat is individually TESTED FOR FLOW. The patent spiral band feature prevents the teat being accidentally pulled off the bottle.

Long hours, tiring duty—
thank **BOVRIL** for goodness!

A cup of hot beefy Bovril puts new life into you. As soon as you drink it you savour its fine beef flavour, and feel the benefit of its warming, stimulating goodness. Whenever you're tired or depressed there's no better way to raise your spirits.

BOVRIL *cheers*

"Scrubbing-up is hard on one's hands!"

BE FAIR to your hands, Nurse. They can be kept smooth, really smooth, despite antiseptic fluids, constant scrubbing-up, and all the rigours of theatre, hospital or clinic—keep NIVEA handy, smooth it in always after washing, and be proud of pretty hands on rough days as well as smooth!

remember...
