It softens, soothes
 and helps to heal

For those minor but often dis-
 tressing skin conditions which call
 for a dressing both sedative and
 antiseptic, 'Dettol' Ointment
 may be prescribed with confi-
 dence for both mother and baby.
 In the treatment of cracked

nipples, and where hardening has
 taken place, 'Dettol' Ointment
 has a soothing softening effect;
 whilst for relieving and clearing
 up napkin rashes, this calming,
 cooling, richly emollient ointment
 is confidently recommended.

'DETTOL' OINTMENT
