

Nutritional tactics

THE EAGER RUSH to take this palatable, highly nutritious, vitamin food concentrate, gladdens the heart of every nurse or mother anxious for the welfare and happiness of the young ones. 'Vimaltol' is a definite aid in the dietary of infants and growing children. Its malt extract, yeast, halibut liver oil and iron, fortified by essential vitamins, help to build strong bones and sound teeth and assist in the development of robust, sturdy bodies.

The formula of 'Vimaltol' is based on the ideas of present-day leading authorities on nutritional science. It can be confidently recommended for children and adults who are underweight, or lacking in energy and vitality.

VIMALTOL

*The vitamin food
concentrate preferred
by children*
