

The Managers of the Santa Claus Society (Miss Charles and Miss J. F. Charles) request that all gifts for children and adults in Hospitals at Christmas time, or money to buy gifts with, may be sent to them at Stormont, Hampstead Lane, Highgate, London, N., by December 1st.

All dolls and articles for the Prize Competitions must be sent in by the 1st of December. Cakes and sweets, by the 9th of December. Everything must be clearly marked with the name and address of the sender. Names can still be entered for the Competitions. Rules can be obtained from the Managers.

The Managers hope a large supply of gifts will be sent them, as there are so many Hospitals and Infirmaries needing help.

They also ask for help for the sale held annually at the Doll Show, for the benefit of the Santa Claus Society.

Will not each member try and send *one* article at least for the sale?

The whole work of the Society has increased so much that further funds are needed, and it is hoped the December sale will bring in more money this year.

Copies of the last Report of the Santa Claus Society, and the rules of the prize competitions, will be sent to anyone, who, by distributing them, will try and gain members and gifts for the Society.

Letters for sea-side or country Convalescent Homes are still much needed, as the Managers continue to receive many applications for them.

The address of the Santa Claus Home is 34, South Grove, Highgate. The cots are all full, and the little patients invite kind friends to come and see them any day between 2 and 4 p.m.

The Managers hope all interested in the Santa Claus Society will try and visit the Home.
