THE UNEMPLOYED IN EAST LONDON.—At a time when much thought is being given to this matter, a practical suggestion may be of service. Last year more than £300,000 worth of foreign matches were purchased by inconsiderate consumers in this country, to the great injury of our own working people. So true is it that "Evil is wrought by want of thought as well as want of heart." If all consumers would purchase Bryant & May's Matches, that firm would be enabled to pay £1,000 a week more in wages.

MARZA MEAT AND MALT WINE.

A perfectly sound Port Wine combined with the nutritious principles (in a soluble form) of the juice of English Beef, and the finest Extract of Malt. A scientific preparation superior in every respect to similar Wines on the market, free from Tannin, and the sickly mawkish taste noticeable in other Malt Wines. The most valuable Nutritive and Stimulative Restorative for Delicate Women, Convalescents and Growing Children.

Special Report in the "Lancet," July 1st, 1893.

"The Marza Wine is agreeable to the palate and is valuable not merely as a stimulant but also as a Tonic, from the presence of a considerable quantity of Iron. The formula of Marza Wine is a commendable one and thoughtfully planned."

The "MARZA" Wines have been awarded the Gold Medal for Palatability, Purity, and general Excellence.
