A Lady Nurse

Wrote from Stockton-on-Tees on the 21st February, 1895, as follows:—"I think you might safely say when you advertise your Cheviot Serge that it is very suitable for nurses uniforms, either in or out of doors. I got mine for this purpose. Other nurses would be glad to know where to get such a suitable cloth at so reasonable a price."

The foregoing was written to the Providence Mills Spinning Co. of Bradford, Yorks., and the Cheviot Serge referred to is a special line 24 to 24 inches wide, which they sell at the exceedingly low price of 2/3 per yard, or they send a full dress length, 6 yards, carriage paid to any address in England for the small sum of 3/6. Samples of the above, and other of their special makes of dress goods, in fashionable colours for spring and summer can be had on approval by addressing "Providence Mills Spinning Co., Department N.R., Bradford, Yorks."
