### REPLIES TO CORRESPONDENTS.

*Miss G. Allen, Inverness.*—The Antananarivo Hospital, Madagascar, is maintained by the London Missionary Society, and the British Ophthalmic Hospital at Jerusalem is a branch of the Grand Priory of the Order of St. John of Jerusalem in England. We imagine the latter is the Institution to which you allude.

*Woman Guardian.*—For full information as to the Workhouse Aid Committees—a movement which has done so much to give young women who have forfeited their characters an opportunity of making a fresh start in life—apply to Miss Martyn, 9, Kensington Gate, W.

*Miss G. Alwyn, Birmingham.*—The vacancies are already filled up until October. Apply for papers for registration and membership from the Secretary, 17, Old Cavendish Street, London, W.

*Miss J. A., Chiswick.*—The address you require is the Rev. J. A. Leonard, the Abbey House, Whitby—see "Sister Eleanor's" letter *re* Co-operative Holidays in last week's issue. These holidays are arranged under the auspices of the National Home Reading Union, the centres being at Whitby, Keswick, Helensburgh and Edinburgh.

*A. L. E., Bristol.*—Read reply to Miss J. A., Chiswick.

*Mrs. Grey.*—We should strongly recommend you to send your little girl to Miss Mosse's Home at High Barnet. She receives patients recovering from scarlet fever, &c., and her charges are moderate. A friend just writes to say her little girl, who has been there recently, has received the utmost care and attention, and was most comfortable. It is a great boon to know of such a quarantine home, and it deserves to be a great success.

*Miss S. Jones, Colchester.*—Write to Miss Peter, Queen's Inspector, St. Katherine's Royal Hospital, Regent's Park. The address of the Scottish Branch of the Jubilee Institute is 2, Lansdown Crescent, Edinburgh.

*Miss A. Davie, Leeds.*—We prefer those Nurses who have a three years' certificate of training. Fever Nursing and Gynaecology are the most important branches for a Nurse desirous of obtaining Private Nursing in London. Many new Institutions are starting on the Co-operative system. In the smaller towns and centres, we think Private Nurses are more comfortable and happy in a Central Home.
