S. FITTON & SON, Millers, Macclesfield.

CARLSBAD

NATURAL MINERAL WATERS,

from the celebrated Alkaline and Saline Springs,

"SPRUDEL" "SCHLOSSBRUNNEN" "MUHLBRUNNEN"

at the famous Resort of Carlsbad, Bohemia,

are now imported in bottles and may be used in the treatment of all cases in which the CARLSBAD cure is indicated when patients are unable to visit the Spa for **Chronic Gastric Catarrh, Hyperæmia of the Liver, Gall Stones, Chronic Constipation, Diabetes, Renal Calculi, Gout,** and diseases of the spleen arising from residence in the tropics or malarious districts.

THE NATURAL CARLSBAD SPRUDEL-SALT

contains all the essential ingredients of the "SPRUDEL," is alkaline, and readily soluble in water. In small and frequent doses it is an efficient DIURETIC, but as an APERIENT it should be taken BEFORE BREAKFAST on an empty stomach, in doses of from 1 to 2 teaspoonfuls, dissolved in water. If followed by a cup of hot tea, coffee, or milk; its action will be increased. To improve the APERIENT action of the Carlsbad Mineral Waters, a teaspoonful of the Natural Salt, previously dissolved in water, should be added.

Sole Consignees: **INGRAM & ROYLE, Ltd.,** 52, Farringdon St., London, & at Liverpool & Bristol.

Samples FREE with the New Pamphlet to Members of the Profession on application.
