

# MELLIN'S

## COD LIVER OIL

# EMULSION

Is of higher value than plain Cod Liver  
Oil, for it contains

**HYPOPHOSPHITES OF LIME AND SODA.**

The Cod Liver Oil alone is of high nutritive value, but the hypophosphites with which the finest Cod Liver Oil is combined in Mellin's Emulsion, stimulate digestion, nourish the bones, invigorate the nervous system, and increase the general vigor of life.

Sample free on receipt of 2d. for postage from
