**THE
WOMAN'S SIGNAL**

EDITED BY MRS. FENWICK MILLER.

EVERY THURSDAY. PRICE 1d.

The Woman's Signal is THE Weekly Journal for Intelligent Women.

It divides its space between those matters which belong to Woman's Home Life (Cookery, Dress, Hygiene, Family Management, &c.), and the wider interest of the active-minded woman of to-day: the Education, Occupations, doings and ideas of their sex. Thus all women's interests are represented in its pages.

IT IS QUITE UNLIKE ANY OTHER LADIES' PAPER.

Please ask your Newsagent, or order of Messrs. Smith's Railway Bookstalls, to **GET IT FOR YOU FOR A WEEK OR TWO**; you are sure to wish to continue it.

Offices: 30, Maiden Lane, London, W.C.
