

THE IDEAL HOSTESS

Delights in the pleasure and enjoyment of her guests, and never neglects their creature comforts; it is to her a labour of love to lay before them the daintiest of dishes. This she can easily do when BROWN & POLSON'S two specialities find their proper place in the kitchen. B. & P.'S "PATENT" CORN FLOUR of old and world-wide fame makes light and delicate puddings, blanc-manges, custards, jellies and many other tempting things, while their new PAISLEY FLOUR—of rapidly growing fame—helps to make dainty and tempting tea scones and cakes, ensures the success of all home-baking, and makes all light and digestible.

Of Paisley Flour Brown & Polson are the sole makers—but their Corn Flour has a host of imitators, and if the best results are to be obtained, every precaution must be taken to see that only BROWN & POLSON'S is delivered.
