The cost is not great.

The matriculation fee is .....\$5.00

Tuition fee .....75.00

The expenses of student are board, lodging and laundry. Lodging may be obtained in Teachers' College Hall at from \$95 to \$150 per annum.

Board and laundry, \$6 per week. The requirements for admission are those of the ordinary college and certificates of graduation from an approved high school, normal school or college will be accepted in lieu of an examination.

Every Superintendent of a School for Nurses is called upon to teach and to plan courses of instruction, a work for which she has rarely been fitted by any special preparation. In all other branches of education such preparation is now considered essential, and it is a great satisfaction to us to realize that it is now possible to obtain it for those who wish to become teachers of nursing. It will be seen also that the student wishing to undertake the management of district nursing, and to deal successfully with the social problems confronting her daily in this most difficult work, has here an opportunity of studying subjects of much value—Hygiene, Home Sanitation, Municipal and Industrial Conditions, with the study of Social Reform—the basis of all the work of the district nurse. It is earnestly hoped that some of our graduates will be able to avail themselves of this opportunity for further study. Application should be made to Mrs. Hunter Robb, No. 1342 Euclid Avenue, Cleveland, Ohio, Chairman Board of Examiners. Further information may be obtained by applying to the Secretary of Teachers' College, Columbia University, New York.

M. A. NUTTING,  
Member of Board of Examiners.

\* Students who can satisfy the requirements in any of the prescribed subjects may elect other subjects of equal credit in any department of the College with the approval of the Dean and the professor concerned.

## Appointments.

### MATRONS.

MISS JOANNA INGLIS has been appointed Matron of the Leeds Union Infirmary. She was trained at the London Hospital, and at the National Hospital, Queen Square, and has also held the appointments of Night Superintendent at the General Hospital, Wolverhampton, and Assistant Matron at Poplar and Stepney Sick Asylum.

MISS FLORENCE WORLEY has been appointed Matron of the Boscombe Hospital, Bournemouth. She received her training at St. Bartholomew's Hospital, and worked for a time at the Convalescent Home, Swanley, in connection with that institution. For the last three years she has held the position of Sister at the Dreadnought Hospital, Greenwich.

MISS E. HASPELL has been appointed Matron of the Isolation Hospital, Kendal. Her experience has been—two years at the Kendal Sanatorium, one year at the City Hospital, Liverpool, and one year and ten months at Blawarthill Hospital, Yoker, Glasgow.

MISS A. K. GOUGH has been appointed Matron of the Dawlish Infirmary. She received her training at the Bristol Royal Infirmary, and holds the certificate of the London Obstetrical Society. She has held the positions of Matron of the East Molesey and Hampton Court Cottage Hospital, and Lady Superintendent of the Queen Victoria Nursing Home, Freshford, near Bath.

MISS MARGARET BEESLEY has been appointed Matron of the Blaby and Wigston Magna Infectious Hospital, Leicester. She received her training at the Parish Infirmary, Liverpool, and has held the position of Head Nurse and Deputy Matron at the City Hospital, North Liverpool.

### ASSISTANT MATRONS.

MISS ELIZABETH HODGES has been appointed Assistant Matron at Guy's Hospital, in which institution she received her training, and where she has held the position of Out-patient and Holiday Sister, and for the last two years that of Sister of Mary Ward.

### SISTERS.

MISS K. MARIE JOHNSTON has been appointed Sister at the Durham County Hospital. She received her training at the Royal United Hospital, Bath, where she has also held the position of Night Superintendent.

MISS ANNIE CAMPBELL has been appointed Sister at the Isolation Hospital, Winchmore Hill. She received her training at the Royal Surrey Hospital, Guildford, and has held the positions of Charge Nurse at the South Western Fever Hospital, and of District Nurse at Leavesden Green.
