THE PUBLIC MEETING.

A date towards the end of May was selected for the First Meeting of Members, and it was suggested that on the day following its Conference the Matrons' Council should hold its Council (Business) Meeting at 11 o'clock, receive a Report from the Registration Sub-Committee, and formally hand over the work of Registration to the new Society. The Meeting of the Society for the State Registration of Nurses would be called for 12 o'clock noon, Miss Louisa Stevenson in the chair, and those present would then and there consider the Constitution, appoint an Executive Committee and Hon. Officers to be representative of the Nurses of the United Kingdom.
