

Liebig's Extract of Meat Company, Ltd.,

Established 1863.

**Contractors to Hospitals, Infirmeries, Nursing Institutions,
The British and Foreign Governments.**

FACTORIES: FRAY BENTOS, URUGUAY.

CATTLE FARMS

Exceed 1100 Square Miles of the Finest Grazing Ground in the World.

The Company are the Sole Manufacturers of these two preparations:

LEMCO

Lemco than in a pound of any other food in the world. Lemco is specially valuable for invalid cookery and for the preparation of light, nourishing, easily digested dishes. As a sick room food Lemco can be retained by the most delicate stomach when all other food is rejected. It is the most powerful non-alcoholic stimulant known to medical science; its use is immediately followed by increased cardiac power.

A pure, absolutely unflavoured meat extract prepared from the finest beef in the world. It is the original Liebig Company's Extract, the most concentrated form of beef known. There is more beef concentrated in a pound of

OXO

A specially prepared amalgamation of Meat Extract and Meat Fibrine. This article is delicately seasoned to tempt the appetite of invalids and convalescents who prefer a flavoured beverage to an unflavoured meat extract.

Patron: H.R.H. the Princess of Wales.
