## Resignation.

Miss Florence Smedley has resigned the position of Matron of St. George's Hospital, London, and much sympathy is felt for her that it is owing to prolonged ill-health that she has been compelled to give up active work. When she took up her duties at St. George's some ten years ago many urgent reforms were necessary to bring the nursing department up to date. This, by arduous work, Miss Smedley has accomplished, so that her successor will have comparatively a less anxious time. It is rumoured that Miss McCall Anderson, some time Assistant Matron at St. George's Hospital, and at present Lady Superintendent of the Royal Victoria Infirmary, Newcastle-on-Tyne, has been invited to apply for the vacancy.

## Wedding Bells.

The ceremony was performed by the Vicar, Rev. M. Rainsford, and afterwards a reception was held at St. Andrew's House Club, Mortimer Street, W., which was prettily decorated for the occasion, where later Dr. and Mrs. Kingsbury gave a dinner party to members of both families.
