

The L.C.C. Scholarships.

In November last the London County Council held an examination of candidates for midwifery scholarships of £25, which it was prepared to award to students in midwifery tenable at institutions recognised by the Central Midwives' Board, and approved by the Council. Successful candidates have to enter into a bond with sureties that they intend to practise as midwives for two years among the poor within the county. The scholarships are awarded to Miss M. Cooney, of the Greenwich Union, Miss M. A. Jackson, Miss M. M. Jennings, and Miss M. E. Pitron. We heartily congratulate the successful candidates on their good fortune, and are certain that the training thus placed within their reach by the L.C.C. will be of value to them for the rest of their lives.
