#### THE PASSING BELL.

At a recent meeting of the Board of Governors of the National Maternity Hospital, Holles Street, Dublin, the following vote of sympathy was proposed by Father Hogan, seconded by Lady Grace:—

"That this meeting of the Governors of the National Maternity Hospital desire to express their deepest regret at the great loss which the Hospital has sustained in the death of Mrs. MacArdle, who for many years acted as Honorary Secretary, and was always most active in working for the good of the Hospital and the poor patients, and desire to express to Surgeon MacArdle and his family their deep sympathy with them in their bereavement."

An Irish Matron, writing in appreciation of the late Nurse Mary McKendry, says:—"For 23 years Mary McKendry was connected with Sir Patrick Dun's Hospital, 14 or 15 years of which time she was Night Superintendent, but to the end of her days she remained "Nurse McKendry." Those who worked with her could not fail to be inspired by her loyal whole-heartedness, and by her love of her hospital and its work. Her cheery perseverance helped all to overcome difficulties, and those who enjoyed her friendship knew what it meant to have a staunch friend. She was the kind of woman one meets but rarely in a lifetime, simple in her tastes, unselfish and unassuming, absolutely faithful to the authorities. Happy, indeed, are they who had the privilege of really knowing her and of working with her."

#### RESIGNATION.

Miss Shackelford, Matron of the Royal Portsmouth Hospital, has, for family reasons, resigned the position of Matron. In placing her resignation before the House Committee Miss Shackelford thanked the members for the kindness and courtesy she had always received from them.
