THE NEW PRESIDENT OF THE BART'S LEAGUE.

The new President of Bart's League, Miss Cox-Davies, Matron of the Royal Free Hospital, is well-known to many of the members. She was gold medallist of her year, and afterwards held the position of Sister of Faith Ward, where many probationers were indebted to her for excellent training. During the late war in South Africa, she did good service on the staff of the Portland Hospital. After a brief period as Matron at the Devon and Exeter Hospital, she was appointed Matron of the New Hospital for Women, Euston Road, a position which she resigned for the important one she at present holds.
