LONDON COUNTY COUNCIL.

The Public Health Department of the London County Council reported on Tuesday to the Council that with a view of filling vacancies for school nurses selected candidates have been seen by the Education Committee. The Department concurred in the suggestions of the Education Committee, and recommended that, subject to their passing the usual medical examination, Miss A. K. Brandon, Miss O. Brocklebank, Miss E. J. Clarke, Miss M. C. Danson, Miss M. M. James, Miss L. A. Montague, Miss M. Trayner and Mrs. M. C. Wainwright be appointed, as from dates to be arranged, school nurses in the public health department, each at the commencing salary of £80 a year, on the conditions approved for appointments of school nurses.

PRESENTATION

Miss Clark, who for seventeen years has held the position of district nurse in connection with the Berkhamstead Nursing Association has been presented with a travelling clock, a purse containing a substantial cheque, and an album with the names of the subscribers.

Miss Pelby, who holds certificates in medical, surgical, and fever nursing, as well as midwifery, has been appointed as Miss Clark's successor.
