The annual afternoon party given by the Superintendent and nurses of the Hammersmith and Fulham District Nursing Association took place on Wednesday, December 10th, at the Hammersmith Town Hall.

The large number of guests were welcomed by Miss Rogers, the new Superintendent, this being her first opportunity of making the acquaintance of many old friends of the Association. The special object of the "At Home" is to give the Committee of the Association the opportunity of meeting, and thanking, the holders of Collecting Books or Boxes in support of the nurses' work in the two Boroughs.
