

three years' service; and Miss Mary Crawford, after one year's service.

MARGARET M. CORNOCK,
Assistant Matron.

NATIONAL UNION OF TRAINED NURSES.

The inaugural meeting of the Liverpool Branch will be held on Wednesday, April 8th, at 3 p.m., in the Central Hall, Renshaw Street.

The Lady Mayoress has kindly consented to preside; and Miss Gibson (late Matron Birmingham Infirmary), Miss Pye (Central Secretary), and others, will speak.

A very cordial invitation is given to all nurses, and it is hoped that a large number will be present.

The Hon. Central Organizer of the National Union of Trained Nurses advises fully-trained Nurses, fit for hard work, desiring to volunteer for service in Ulster in case of necessity, to communicate at once with Miss Platt, Kingston, Taunton, stating qualifications. Nurses who have experience as Sisters are especially wanted. All volunteers must undertake to be ready to start at 24 hours' notice. There will be no pay and no expenses beyond personal requirements.

Miss M. Prendergast also requires thoroughly trained Nurses for the Ulster Aid Ambulance Corps. Services must be given but expenses are paid. Enrolment Application Forms can be obtained from Miss M. Prendergast, 8, Wentworth Studios, Manresa Road, Chelsea.

Miss Jentie Paterson, late Sister at Guy's Hospital, has accepted the post of Lecturer to the Volunteer Nursing Corps attached to the Tyrone regiments. Her nursing services have also been secured, if required.

A GOOD APPOINTMENT.

Particulars will be found in our advertisement columns of the vacancy for a Matron at the Frere Hospital, East London, South Africa. The appointment is for two years, after which four months' notice must be given by either side. The commencing salary is £150, rising to £175. The lady appointed will be required to take up her duties on July 1st.

THE PASSING BELL.

It is with deepest regret we announce the death of Sister Trueman, on March 23rd, who was Assistant Matron at the City of Westminster Infirmary, Hendon and Central London Sick Asylum, Cleveland Street, which she faithfully served for twenty-two years. She was Vice-President of the Nurses' League, Hendon Branch, since its formation. Her illness only lasted six days, and it will be hard for her many friends to realise she has been taken from them, as so recently she was well and bright as usual.
