

THE NURSING AND MIDWIFERY EXHIBITION.

This Exhibition affords a means whereby nursing appliances, dietetic products, literature, and other exhibits of interest to nurses, can be brought together, and introduced to their notice of nurses.

In our next issue we propose to give a further notice of the Exhibition, and to mention other exhibitors. We now direct attention to some of the most important exhibits by leading firms.

FIRST-CLASS FIRMS IN THE EXHIBITION. STANDS NOT TO BE MISSED.

HOSPITALS AND GENERAL CONTRACTS Co., LTD., 25 to 35, Mortimer Street, London, W.—The firm supply all surgical requisites, and several nurses whose inventions are obtainable from this firm will demonstrate their use at the stand.

THE MEDICAL SUPPLY ASSOCIATION, 167-173, Gray's Inn Road, London, W.C., have, as usual, a large exhibit and many specialties, including the Grevillite thermometers, &c., Macdonald's steam sterilizer, and Brytstele—a new antiseptic solution for surgical instruments, &c.

MESSRS. LEWIS & BURROWS, 146, Holborn Bars, E.C., the well-known dealers in surgical sundries are again making a display of their popular clinical thermometers; the remainder of their large display is to be devoted to the Ellanbee brand products, including the new Laxative Jelly containing 50 per cent. of Liquid Paraffin.

MESSRS. CHARLES ZIMMERMANN & Co., LTD., 9 and 10, St. Mary-at-Hill, E.C., are showing their well-known disinfectant, Lysol, justly a favourite with surgeons, nurses and midwives, as excellent aseptic results are achieved with its use. The firm are also specializing in Grotan, a new and powerful antiseptic—non-poisonous and non-corrosive.

MESSRS. NEWTON CHAMBERS & Co., LTD., Thornccliffe Collieries, Sheffield, and 331, Gray's Inn Road, London, E.C., are making a good display of their well-known Izal Disinfectant Fluid, Powders, Soaps, Cream, &c. Izal has the advantage that it has no chemical affinities with other bodies, and is miscible in all kinds of water without suffering loss of germicidal power.

THE JELLOID Co., 76, Finsbury Pavement, E.C., are to the fore with their dainty tonic, Iron "Jelloids," which can often be assimilated by those who can take iron in no other form.

MESSRS. ALLEN & HANBURY'S, LTD., 37, Lombard Street, E.C., are showing a large variety of valuable Dietetic Products. The Allenburys Foods are general favourites with nurses and midwives, who need no testimony as to their value.

MESSRS. BURROUGHS, WELLCOME & Co., Snow Hill, E.C., who have secured an excellent position for their stand, to the right, near the entrance, will, amongst their preparations and supplies, show the "Kepler" Malt Extract and "Kepler" Cod Liver Oil, and their combinations, valuable for their nutritive and restorative qualities.

MESSRS. E. & R. GARROULD, Nurses' Outfitters, 150-162, Edgware Road, Hyde Park, W.—Messrs.

Garroulds excel in the art of arranging exhibits, as well as in catering for the needs of nurses, and this year, as heretofore, there is no doubt that their exhibit will be one of the finest in the hall.

MR. E. J. WALKER, 48, Sloane Street, S.W., invites a visit to Stall 34A, where particulars can be obtained as to his system of supplying milk for the nursery, direct from the cow to the consumer within three hours of milking.

HORLICK'S MALTED MILK Co., Slough, Bucks.—This well-known firm, whose specialties are so popular with nurses and midwives, is exhibiting its Malted Milk in both powder and tablet forms. Visitors to leading exhibitions have come to depend on the Malted Milk at Messrs. Horlick's stand, to fortify them in the course of the somewhat exhausting process of visiting the stands.

MESSRS. L. BRAGG & Co., Wigmore Street, W., are exhibiting their Charcoal and other digestive biscuits as well as lozenges, tablets, charcoal chocolate, &c.

MESSRS. A. WULFING & Co., 12, Chenies St., W.C., whose specialties Sanatogen, Albulactin, Formamint, and Cystopurin, have won for themselves so distinguished a position, appear at the Exhibition this year with two additional honours. Sanatogen was awarded the only Grand Prix among invalid foods at the International Medical Congress in London, last year, and the firm has received the Royal Warrant of Spain.

BOVRIL, LTD., 152-166, Old Street, E.C., are as usual showing their valuable specialties Bovril and Virol. That Bovril is appreciated as an article of diet for the sick is shown by the fact that it is used in over 2,000 hospitals.

LEMCO AND Oxo (Liebig's Extract of Meat Co., Ltd.), Thames House, Queen Street Place, E.C., have an excellent exhibit of these concentrated foods, which have attained a world-wide renown.

MESSRS. COLEMAN & Co., LTD., Norwich, will show their well-known wine tonic "Wincarnis," a scientific combination of choice wine, extract of meat, and extract of malt.

MESSRS. CADBURY BROS., BOURNEVILLE, will show their attractive and world-renowned specialties. The best recommendation which the cocoa supplied by the firm can receive is the service of delicious cups of the beverage made by an expert.

KEEN, ROBINSON & Co., LTD. (incorporated with J. & J. Coleman, Ltd), Denmark Street, St. George's-in-the-East, London, E., are making a feature of their "Patent Barley," most useful as a diluent of milk for babies, and also whenever barley water is used.

EUCRYL, LTD., 61-63, Lant Street, Borough, S.E.—This firm will exhibit its well-known and admirable dentifrices Eucryl Tooth Powder, and Eucryl and Eau de Cologne Tooth Paste, which are not only most popular, but made in accordance with the findings of science, and without being touched by the hand.

HARRINGTON'S, 8, Paternoster Row, E.C., are exhibiting their Hygienic Specialties. We refer to these on page 380.

MESSRS. HALL & SONS, LTD., 60, Bishopsgate, E.C., have a complete exhibit of their Ideal Boots
