PRESENTATION.

The nurses who find at 44, Norfolk Square, Hyde Park, W., a pleasant home between their cases recently testified to the efforts of Mrs. Stanley Chate (*née* Downey), the Lady Superintendent, to meet their needs, by presenting her with a beautiful silver dessert service "as a token of their appreciation of her goodness to them" during the three and a half years that the Home has been established. The initiative was taken by Mrs. Gosselin and Miss Alexander, who acted as Secretary and Treasurer.

Mrs. Chate desires to thank all those who so kindly contributed to this handsome gift, and to assure them of her sincere appreciation of their goodwill.
