THE PASSING BELL.

We deeply regret to record the deaths from drowning of four Nurses on the staff of the David Lewis Epileptic Colony, Great Warford, Cheshire, together with three patients and the daughter of the farm bailiff, while skating on a pond at Sandle Bridge Farm. The ice gave way, and about twenty people were thrown in. The nurse victims are: Miss Edith Walker, of Crewe; Miss Dorothy Gething, of Wolverhampton; Miss Elizabeth Mullins, of Ashton-under-Lyne; and Miss Marion Harriet Frost, of Fenton. We tender to their families and their colleagues at the Colony very sincere sympathy.
