

# Efficiency Means to the Nurse

ability to attend to and relieve her patients' needs and care to keep herself in perfect physical condition.

Constipation is a handicap to the patient as well as to the nurse, to be overcome or prevented in either case.

Nujol aids the Nurse because Nujol overcomes and prevents constipation, satisfactorily and safely. Nujol acts mechanically—not as a medicine.

Nujol softens, moistens, lubricates, promotes peristalsis, absorbs and removes poisonous products.

Nujol can be given at any age—for any length of time in any dose necessary in each individual case.

### SMOKE ABATEMENT

BY the rapid growth of its popularity for lighting, heating, cooking, & power, gas fuel which does not give off smoke, soot, or destructive acids, is doing much to mitigate the quantity and the destructive quality of atmospheric pollution. The latest information on this important question will be forwarded to those interested on application in writing to the Secretary
