

THE STILWELL TWINS.

Viol enabled me to nurse twins

16, Hampstead Hill Gardens, N.W.3.

Sir,

1st December.

I cannot speak too highly of your Viol, which has enabled me to nurse my Twin babies for 10 months without feeling the strain.

As you will see by their Photograph they are sturdy and happy, and I recommend all expectant and nursing mothers to try your food ; it is splendid for mother and babe.

Yours truly (Sgd.) HELEN STILWELL.

A remarkable fortifier against colds and chills at all ages.
A great restorative against influenza.
