The Ideal All-Weather Food-Drink
— Made in England —

Horlick's Malted Milk is meat and drink in one, because it contains all necessary nutritive elements in the correct proportions demanded by Nature to support life and maintain health. Composed of the extracts of selected malted barley and wheat flour, combined with pure, Pasteurised cow's milk, it is perfectly digestible and rapidly assimilated, while Vitamines, those growth-promoting essentials, are supplied by both the milk and the grain.

Ready in a moment by stirring briskly in water.

To secure the original, specify "Horlick's" when prescribing.

Samples will be forwarded free and postage prepaid to Members of the Nursing Profession on application to
