

**When low diet becomes monotonous.**

In fevers of all kinds, and in all illnesses involving a light diet, Benger's solves the problem of change of food.

Patients appreciate this delicate food cream, which may be flavoured as desired with salt, vanilla, coffee, or chocolate, etc.

is retained and assimilated even in cases of extreme weakness; and the degree of self-digestion peculiar to Benger's Food, may be regulated to suit any digestive capacity.
