*Use and recommend*

# 'Robin'

*as a dusting powder*

A packet of Robin Starch is generally to be found in any home. For all cases where a wholesome dusting powder is needed for the tender skins of babies, or bed-ridden invalids, Robin powder starch may be safely used and recommended—for its antiseptic qualities, its fineness, purity, softness and cleanliness. "Robin" has the additional advantage of being unscented.

An Aluminium Container will be sent free on receipt of a postcard addressed to

DEPT. J, RECKITT & SONS, LTD. HULL.
