

THE NATIONAL COUNCIL OF TRAINED NURSES OF GREAT BRITAIN.

It is anticipated that quite a number of fraternal delegates from Great Britain will attend the International Congress of Nurses at Helsingfors in July, but special interest centres in the Official Delegates who have so honourable and important a Mission as Representatives of the National Council of Trained Nurses of this country on the Grand Council of the International Council of Nurses, and we have much pleasure in announcing their names and presenting their portraits. We think it will be agreed that they are a very pleasing quartette and that each has a very honourable record to her credit.

MISS A. STEWART BRYSON, S.R.N., R.F.N.

Miss A. Stewart Bryson is well known to many of our readers as she has prominently associated herself with progressive organisations of nurses, and worked enthusiastically in support of the campaign to secure State Registration of Nurses. She has had a varied professional experience, being trained and certificated at the Crumpsall Infirmary, Manchester, where she afterwards held the position of Second Assistant Matron.

After experience of private nursing in connection with the Co-operation of Trained Nurses, Glasgow, she acted for some months as Matron of the Royal Hospital, Belfast. She then came to London, and joined the Metropolitan Asylums Board Service as Assistant Matron at the Fountain Hospital, Tooting, since which time she has held successively the position of temporary Housekeeper at the Park Hospital, Hither Green, Assistant Matron, for six years, at the Northern Hospital, Winchmore Hill, Matron of the Southern

Miss H. L. PEARSE, S.R.N., Superintendent of School Nurses under the London County Council, Hon. Secretary National Council of Trained Nurses of Great Britain.
