

INVALID BOVRIL hastens recovery

This special preparation of unseasoned Bovril is invaluable during illness and convalescence. Rich in proteids, Invalid Bovril has marked recuperative powers, and provides an excellent addition to invalid diet.

It is welcomed by the patient and is readily assimilated by the most enfeebled digestion.

Obtainable from all Chemists.

Obstetric Practice

Sanitas Fluid solution used as a wash or dressing materially reduces the dangers of septicæmia, and is of undoubted value in all obstetric practice. Because of its peroxide and aromatic constituents, Sanitas Fluid is useful in all septic cases. Sample gratis to any certified nurse.
