THE House of Ingram's, inventors and makers of the famous "Agrippa" Patent Band Teat, are now packing each teat in a separate transparent container. This ensures perfect cleanliness and hygienic conditions; protection from dust and contamination from handling from the time of leaving the factory until required for use.

The "Agrippa" Teat is made of the finest pure Para rubber. Cannot slip off the bottle. Made by "Ingram's, London," makers of fine rubber products for 80 years.

SEE THAT THE NAME AND TRADE-MARK IS ON BOTH THE TEAT AND THE CONTAINER

Sold at all high-class Chemists.
