

We well know how difficult it is for nurses to find time for business that does not lie strictly within the confines of their work, but if those who are in this position and who make the Club their headquarters will write to the Secretary and inform her of their wish to have their names placed on the Parliamentary Register she will have pleasure in taking the procedure necessary in order to secure that this be done. Application should be made as soon as possible to our Office by those who wish to avail themselves of this offer.
