their happiness. In the photograph of their wedding Mr. Simpson certainly looks the "proud possessor." After the wedding the happy pair left in a fine motor-car (a wedding gift to Mrs. Simpson) and are spending their honeymoon in Italy.

On July 14th, Miss Helena Curd was married to Mr. Gordon Philpot at the Brompton Oratory. Miss Curd is well known to many nurses as she has done excellent work both in the Office of the Professional Union of Trained Nurses, in Miss Maude MacCallum's time, and later in the Office of the Royal British Nurses' Association. A number of Members of the Association presented her with a beautiful oak sideboard and a bookcase bureau.

We offer to Mr. and Mrs. Philpot our warm good wishes for their happiness.

ISABEL MACDONALD
